

Steward Application Form 2017

The New Zealand International Wine Show is New Zealand's largest wine competition and each day we require 25 stewards to assist in the running of the Show. Stewards are required to open and pour wines, plus deliver glasses to and clear glasses from the judging tables. There is a considerable amount of walking required so stewards need to be physically fit to handle the demands of the day. The venue is the North Harbour Stadium in Albany. Applications can be for one or more days.

If you have ever wanted to see just how wines are judged and how the medals are awarded, this is your opportunity.
